

## Model

## Avail

I'd to anything to look that way when i stop and think again i  
want to change my face and change my skin no more invisible to  
them, you can't compare me i'd to anything

Big is a scar you'd better get thin the tanner you are the more  
you fit in

Bullshit you got a disease you follow the trends like the rest  
of the sheep
