Bo's at the front door
Spitting hate in her face
Saying, "I don't give a fuck"
Father's stumbling up the stairs
Saying, "Fuck you if I'm late"
He don't give a fuck

Someone's broken down the stairs
Can't get outside, but I don't care
The ones who count are all here
Can't say I'd be right anywhere

Toast is spreading jam again
