

## Scufffle Town

Avail

There's kepone in the river  
But the river's still  
Flowing east  
Ethyl doze the planet  
In an attempt to keep  
The downtown clean

Still it's a beautiful day  
And the sun is still shining  
Over the James

Oregon Hill is at end time VCU crept up and lit the torch  
West ave. honkeys don't forget  
That trains still run north

Third per-capita  
Next year number one
