

Broken

AVAION

'Cause I'm the one, I'm the one who always cried
I'm the one who's broken now

I don't know my name
'Cause I tried to hide the pain
Do you feel the same?
So, please tell me, are you hopeless?
'Cause I'm the one who cried
Oh, tell me, are you broken?
This is all alright
'Cause I'm the one who cried
When it was too late
And now I'm broken
But that's okay

'Cause I'm the one, I'm the one who always cried
I'm the one who's broken now
'Cause I'm the one, I'm the one who always cried
Always cried
Who's broken now

'Cause I'm the one
Who always cried
I'm the one
Who's broken now

Tell me, are you hopeless?
'Cause I'm the one who cried
Oh, tell me, are you broken?
This is all alright
'Cause I'm the one who cried
When it was too late
And now I'm broken
But that's okay
'Cause I'm the one who cried
When it was too late
And now I'm broken
But that's okay

'Cause I'm the one, I'm the one who always cried
I'm the one who's broken now
'Cause I'm the one, I'm the one who always cried
Always cried
Who's broken now
