

Hope

AVAION

I be wasting my time
Cause I don't know where to go
If there's hope, then just let me know

Don't call me up
Cause I be falling for you every time
I just wanna tell the world you're mine, you're mine
But we are not the same

Hope that you will know
When I'm alone
I don't feel the same

Hope that you will

Hope that you know

Don't feel the same

Hope that you will know

Hope that you know

Don't feel the same

Hope that you will
Hope that you know

Don't feel the same

Hope that you will know
When I'm alone
I don't feel the same

Hope that you will
Hope that you know
Don't feel the same

Hope that you know
Hope that you know
Don't feel the same

Hope that you will
