

Keep On Dancing

AVAION

Don't hold me back of letting go
Of all the fears that I went through while losin' hope
'Cause I still taste your lips and feel your touch
After all this pain, I don't ask for much
Just please

Keep on dancing
Dancin' in the sun
Keep on dancing
Like in the summer where it all begun

Keep on dancing
Keep on dancing

Keep on dancing
Dancing in the sun
Keep on dancing
Like in the summer where it all begun
Keep on dancing

Feels like time is movin' slow
Emotions gettin' numb from the words that I've been told
Wish we could dance again
Touch my soul like we're more than friends
I miss the summer, why it had to end?
If I had one wish, I would tell you again
Just please

Keep on dancing
Dancin' in the sun
Keep on dancing
Like in the summer where it all begun

Keep on dancing
Keep on dancing

Keep on dancing
Dancing in the sun
Keep on dancing
Like in the summer where it all begun
Keep on dancing
