

Love Again

AVAION

I don't mind, if I'm falling appart
Don't blame it on me, let's just go back to the start
Please don't smile on purpose you just leave another cut to my
heart
You say it's all easy but you're not the one with all the scars

But if I
Fall in love again
Fall in love again
(But if I)
Fall in love again
Fall in love again

Please don't smile on purpose, you just leave another cut to my
heart
You say it's all easy, but you're not the one with all the scar
s
Fall in love again
Fall in love again

But if I
Fall in love again
Fall in love again
(But if I)
Fall in love again
Fall in love again
