

not sorry

AVAION

I just called to say that I'm not sorry
You can take it as a love letter
Take it as a heartbreak

And I just called to say that I'm not bothered
'Cause I know that you got what you wanted anyway
Wanted anyway

I just called to say that I'm not sorry
You can take it as a love letter
Take it as a heartbreak

And I just called to say that I'm not bothered
'Cause I know that you got what you wanted anyway
Wanted anyway

Oh, what's that?
Love
Is that it, love?
Yeah, to make people happy

I just called to say that I'm not sorry
You can take it as a love letter
Take it as a heartbreak

And I just called to say that I'm not bothered
'Cause I know that you got what you wanted anyway
Wanted anyway

I just called to say that I'm not sorry
You can take it as a love letter
Take it as a heartbreak

And I just called to say that I'm not bothered
'Cause I know that you got what you wanted anyway
Wanted anyway
