

# Numb

AVAIION

Another day, another week  
Startin' to live in the in-between  
Cravin' you patiently  
Leavin' the arms that were holdin' me

I, I know we can't be together now  
But I don't wanna be without you, oh  
Sometimes, I feel life pushin' you away  
But I know that I can't replace you, oh  
I don't know how to say that I miss you

I feel so numb  
Every single time that you're gone  
Tell me why I can't feel anything  
Tell me why I don't feel anything when I miss you  
I feel so cold  
Every single time that you go  
Tell me why I can't feel anything  
Tell me why I don't feel anything when I miss you

Ooh, ooh, ooh  
When I miss you

Another love, another life  
Holdin' on to, to you and I  
Cravin' you patiently  
Leavin' the arms that were holdin' me

I, I feel life pushin' you away  
But I know that I can't replace you, oh  
I don't know how to say that I miss you

I feel so numb  
Every single time that you're gone  
Tell me why I can't feel anything  
Tell me why I don't feel anything when I miss you  
I feel so cold  
Every single time that you go  
Tell me why I can't feel anything  
Tell me why I don't feel anything when I miss you

Ooh, ooh, ooh  
When I miss you
