

## Other Side

AVAION

Got a feeling that I'm drowning all by your side  
My mind gets numb from the pain that was left behind  
So when you feel the same, will you take my hand?  
So when you heal this way, can we please pretend?

So take away what's left behind  
So you can feel the rain from the other side

So take away what's left behind  
So you can feel the rain from the other side
