Pieces

AVAION

I'll be fallin' down, you'll be watchin' by my side, by my side
I just need a helping hand, I just need you in my life, in my l
ife
Clouds keep turnin' back, baby please, just call me back
You keep livin' in my mind, feel your soul inside, yeah, inside

Fallin' into pieces, I'm so alone
Fallin' into pieces, I'm so alone
I'm so

I'm so
Fallin' into pieces, I'm so alone
Fallin' into pieces, I'm so alone
I'm so
Fallin' into pieces, I'm so alone
Fallin' into pieces, I'm so alone

Clouds keep turnin' back, baby, please, just call me back
You keep livin' in my mind, feel your soul inside, yeah, inside

Fallin' into pieces, I'm so alone
Fallin' into pieces, I'm so alone
I'm so

Fallin' into pieces, I'm so alone
Fallin' into pieces, I'm so alone
