AVAION

I just wanna ride (ride, ride, ride, ride, yah)
You just wanna fight (fight, fight, fight, fight, yah)

I just wanna ride (ride, ride, ride, ride, yah)
You just wanna fight (fight, fight, fight, fight, yah)

I just wanna ride you will fight (you will fight)
Please tell me baby are you high (are you high)

I don't wanna hold you tight (you tight)
Cause you fucking up my life (my life)

Fucking up my life
Even tho I got the hype

I was calling you my wife
Dreameed about you day n night

Now I'm fighting against your side
Just should be vibing on my ride

But I'm feeling lost inside
Allday blowup, dynamite

I just wanna ride (ride, ride, ride, ride, yah)
You just wanna fight (fight, fight, fight, fight, yah)

I just wanna ride (ride, ride, ride, ride, yah)
You just wanna fight (fight, fight, fight, fight, yah)

Everywhere I go I see your face
Doesnt matter how much I inhale

I will keep on trying till I fail
No I don't want to stay, want to stay no

I just wanna ride (ride, ride, ride, ride, yah)
You just wanna fight (fight, fight, fight, fight, yah)

I just wanna ride (ride, ride, ride, ride, yah)
You just wanna fight (fight, fight, fight, fight, yah)
