

Same Vibes

AVAION

Do you really say so? (Do you really wanna say so?)
I'm feelin' same though (Do you really wanna say so?)
Hit me with the chainsaw (Do you really wanna say so?)
Do you really say so? (Do you really wanna say so?)
I'm feelin' same though (Do you really wanna say so?)
Hit me with the chainsaw (Do you really wanna say so?)

Show me how you feel, same vibes
I just wanna waste no time
If you hurt me tonight (Do you really wanna say so?)
I be feelin' same vibes
This song will get you mine
If you stay for the night (Do you really wanna say so?)

Do you really say so? (Do you really wanna say so?)
I'm feelin' same though (Do you really wanna say so?)
Hit me with the chainsaw (Do you really wanna say so?)
Do you really say so? (Do you really wanna say so?)
I'm feelin' same though (Do you really wanna say so?)
Hit me with the chainsaw (Do you really wanna say so?)

(Do you really wanna say so?)
(Do you really wanna say so?)
(Do you really wanna say so?)

Do you really say so?
I'm feelin' same though
Hit me with the chainsaw
Do you really say so? (Do you really wanna say so?)
I'm feelin' same though (Do you really wanna say so?)
Hit me with the chainsaw (Do you really wanna say so?)
