

She Dance

AVAION

I'm so into you
Hope that you would miss me too
Thinking 'bout the time when your were mine (Ooh)
You changed from loving me
To party all night long, so
Now all you want to do is dance

She just wanna- Aah
Dance, dance, dance, dance
Dance, dance, dance, dance (Ooh)
Dance, da da da da da da
Dance, da da da da da da (Yeah, yeah)

She just wanna go to Paris at night
She just wanna take pills and feel all the vibes
I just wanna make sure she's feeling alright
So I stay and dance
Please go on, don't change your mind
Feel this song deep down inside
Lose control and stay the night
So she dance (Dance)

She just wanna- Aah
Dance, dance, dance, dance
Dance, dance, dance, dance (Ooh)
Dance, da da da da da da
Dance, da da da da da da (Ooh)

Thinking 'bout the time when your were mine (Ooh)
Now all you want to do is- Aah

Dance, dance, dance, dance
Dance, dance, dance, dance
Dance, da da da da da da
Dance, da da da da da da (Ooh)

She just wanna- Aah
Dance, dance, dance, dance
Dance, dance, dance, dance (Ooh)
Dance, da da da da da da
Dance, da da da da da da (Ooh)

Dance, dance, dance, dance
