Sleepless

AVAION

Wonder where you are
No hope at all
Please keep my heart on fire
Don’t make this love retire
Wonder where you at
Overthink in my head
Anxiety is rushing through my nerve
Feel the love never retire

I don't wanna sleep
’Cause when I wake up I'm alone
I don't wanna sleep
’Cause when I wake up I’m alone
Oh, I'm alone
I don’t wanna sleep
'Cause when I wake up I’m alone
Oh, I'm alone

Wonder where you are
Still on my mind
Four years apart
Still, love desires
Late nights I dreamt
Live in the past
You and me back home
My heart’s desire

I don't wanna sleep
'Cause when I wake up I’m alone
I don’t wanna sleep
'Cause when I wake up I’m alone
Oh, I'm alone
I don’t wanna sleep
'Cause when I wake up I’m alone
Oh, I'm alone
