

# When You Go

AVAIION

I should never loved you  
I was by my side

You behind the doors  
That I can't hide

Show me where you go  
Time feels different when you go

I'm so lost in my mind  
I'm so lost in my mind  
I'm so lost in my mind  
I'm so lost in my mind

I should never loved you  
I was by my side

You behind the doors  
That I can't hide

When you go (oh, oh, oh)  
When you go (oh, oh, oh)

When you go (oh, oh, oh)  
When you go (oh, oh, oh)

I'm so lost in my mind  
I'm so lost in my mind

(When you)  
I'm so lost in my mind  
I'm so lost in my mind

(When you)  
I'm so lost in my mind  
I'm so lost in my mind
