You Again

AVAION

Feeling out of time
Hold you like you're mine
Thought that I was you
Feeling kinda fine

Told me I'm darkly sinking
Left me for you
All this world is mine
I should never think twice

Feeling out of time
Hold you like you're mine
Thought that I was you
Feeling kinda fine

Feeling out of time
Hold you like you're mine
Thought that I was you
Feeling kinda fine

Told me I'm darkly sinking
Left me for you
All this world is mine
I should never think twice

Feeling out of time
Hold you like you're mine
Thought that I was you
Feeling kinda fine
