

Wild Places I

Avalanche City

Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh

You always dance
You always fall
Feet first to the ground
Fast from off of the floor

Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh

You always love
Like you've never been hurt
Your eyes shine into mine
And wipe off all of the dirt

Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh

So tell me what you need
To get you closer to me

Oh
Come and take me to the wild places
Ooh oh
Ooh ooh ooh
Come and take me to the wild places

Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh

You always say I've been
Held back
My feet are falling behind
I've come off of the track
But I couldn't see
Oh this
View is clear
The bright is so much brighter
when you are here

Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh

Come and take me to the wild places

Ooh oh
Ooh ooh ooh
Come and take me to the wild places
Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh

So tell me this is not the last time
Our love is the best
Oh
So tell me I've got a place here
To promise me less
Woah oh
You are my first and my last lie
I'm dying to be on your mind
So be light It'll lead me
and it'll be alright

Oh
Come and take me to the wild places
Oh
Come and take me to the wild places
Oh
Come and take me to the wild places
Ooh oh
Ooh ooh ooh
Come and take me to the wild places
Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh
Ooh oh
Ooh ooh ooh
