

# Light a Candle

Avalon

Light a candle  
For the old man who sits staring  
Out a frosty windowpane

Light a candle  
For the woman who is lonely  
And every Christmas is the same

For the children who need  
More than presents can bring

Light a candle, light the dark  
Light the world, light a heart or two  
Light a candle for me  
I'll light a candle for you

Light a candle  
For the homeless and the hungry  
A little shelter from the cold

Light a candle  
For the broken and forgotten  
May the season warm their souls

Can we open our hearts  
To shine through the dark?

Light a candle, light the dark  
Light the world, light a heart or two  
Light a candle for me  
I'll light a candle for you

Ooh and in this special time of year  
May peace on earth surround us here  
And teach us there's a better way to live

Oh, and with every flame that burns  
We must somehow learn  
That love's the greatest gift  
That we could ever give

Light a candle, light the dark  
Light the world  
(Light a heart or two)  
Light a candle for me  
I'll light a candle for you

Light a candle, light the dark  
Light the world  
(Light a heart or two)  
Light a candle for me  
I'll light a candle for you

Light a candle for me  
I'll light a candle for you  
(Light a candle for me)  
Oh, I'll light a candle for you
