

# Majesty

## Avalon

Shepherds stare in to a sky  
Holding angels from on high  
What good news is given them  
A miracle in Bethlehem

Unexpected royalty  
Born tonight for you and me

Majesty  
Majesty  
Love is here, come and see  
This manger holding majesty

Heaven now in flesh appears  
Long awaited, finally here  
He will conquer, he will reign  
And he will send death to the grave  
Yes, he will send death to the grave

Majesty  
Majesty  
Love is here, come and see  
This manger holding majesty

Hallelujah  
God is with us  
Hallelujah  
To the king  
Hallelujah  
God is with us  
I will bow and  
I will sing

Hallelujah  
God is with us  
Hallelujah  
To the king  
Hallelujah  
God is with us  
I will bow and  
I will sing

Majesty  
Majesty  
Love is here, come and see  
This manger holding majesty
