Solid Is The Rock

Avalon

In this restless world, made of shifting sand,
There's no solid ground, where our hope can stand.
But our trust in God, will stay strong and sure,
For it's built on a foundation that's eternally secure.

Oh, the Son of God, is our cornerstone,
Jesus is His name, Heaven is His throne.
He will not be swayed, He will not be moved,
And the ones who rest upon Him will stand strong and true.

Our faith has made us solid
Solid
Solid as the Rock of Ages
Solid
Solid
Solid as the Rock
No matter how, the world around us
Drifts, or changes,
Our faith is solid as the Rock of Ages.

We rejoice in time, when ou trials come,
As they test our faith, we grow firm and strong.
We're victorious, through the blood of love,
We sing praise to our salvation, as He lifts us up

Solid as the Rock of Ages
Solid
Solid
Solid as the Rock
No matter how, the world around us
Drifts, or changes,
Our faith is solid as the Rock of Ages.

Grater is He that is in us,
Than he that is defeated in the world

Solid as the Rock
No matter how, the world around us
Drifts, or changes,
Our faith is solid as the Rock of Ages
