

# We Glorify Your Name

Avalon

Jesus, Your love is perfect and endless  
You love us  
In our resistance, You are relentless  
You love us

Confounding is a love like this  
All consuming and mysterious

For goodness and mercy  
For grace undeserving  
We glorify Your name  
We glorify Your name  
In sorrow and weakness  
You hold us and keep us  
Forever You remain  
We glorify Your name, oh, God

Jesus, You found us through all the chaos  
You found us  
Though we're not worthy, Your kindness and mercy  
Surround us

Confounding is a love like this  
All consuming and mysterious

For goodness and mercy  
For grace undeserving  
We glorify Your name (we glorify Your name)  
We glorify Your name (we glorify Your name)  
In sorrow and weakness  
You hold us and keep us  
Forever You remain (forever You remain)  
We glorify Your name, oh God

Uncontainable, unexplainable
