Assume the position and put your hands up where I can

I'm the officer of the body, I'm sworn to protect and
serve
And I have a... cause, so go ahead and do a strip
search, a strip search
It's time to ready your Miranda, ride to the...
propaganda
You're under my arrest, baby

Assume the position and put your hands up where I can
see
Spread up I gotta take you into 69...
Call me the body police, they call me the body police
I'm charging you of BTS, that's being too sexy [X2]
