

# Hooked

Avant

Feeling like I want some more (6x)

You got me open like a liquor store  
Love so strong that I don't want no more  
I can't describe the way you got me shook  
You're like a drug girl you got me hooked  
You're the queen I see in my dreams  
Want to taste some of your ice cream  
I can't describe the way you got me shook  
You're like a drug girl you got me hooked

My boys say I'm tripping but I'm like so  
'cause you got me open I don't care who knows  
When it comes to you baby anything goes  
You're just like that drug that they smoke  
You got my mind twisted and all tied up  
From your conversation and gentle touch  
Whatever you want baby never too much  
Baby sit back and let me take a puff

You got me open like a liquor store  
Love so strong that I don't want no more  
I can't describe the way you got me shook  
You're like a drug girl you got me hooked  
You're the queen I see in my dreams  
Want to taste some of your ice cream  
I can't describe the way you got me shook  
You're like a drug girl you got me hooked

Damn girl  
You got me hooked hooked hooked  
Girl you know you got me hooked hooked hooked  
You got me hooked hooked hooked  
Can somebody help me

I don't even smoke butts that's quite alright  
'Cause when you're with me its like a natural high  
Just like Marvin Gaye touching his keyboard  
When you touch me it makes me say oh lord  
Girl you got every little bit of my soul  
Making it hard for me to gain control  
Even when I try to tell myself no  
There's a little voice saying one more

I'm on these streets  
Lookin' for you  
Come rescue me  
Baby baby baby

You got me open like a liquor store  
Love so strong that I don't want no more  
I can't describe the way you got me shook  
You're like a drug girl you got me hooked  
You're the queen I see in my dreams  
Want to taste some of your ice cream  
I can't describe the way you got me shook  
You're like a drug girl you got me hooked
