Baby I'm jack you can be jill
I wanna carry up my hill

but we can go to every city that you think of
Next
We'll go to ATL in room 112
I'll make your body melt
Next

I'll do it deeply but take it easy
Next

There's no illusion what we'll be doing
Next
We'll go to Philly
while I'm feelin you I know you feelin me
Baby I'm jack you can be jill
I wanna carry up my hill
we don't have to run and hide to make love
but we can go to every city that you think of
Oh girl you and me , me and you
all alone in this room
you will see alot of things you never seen
Oh baby

baby it should be the same
I'll do you its so true
If I had it my way
