On the road, last shows and me is  
Temptations grow, keeping uneven  
Aksing myself if I'll live without you (without you)  
At times I feel, thinking bout you cheating  
Baby, let's be real, you're the only one I'm meeting  
If you wanna know  
If I'll live without you  
Baby, the answer is...

Nooooooooo  
See I don't wanna...  
Goooooooo  
Baby I just need you...  
Oooohhhh  
Can I live without you, without you?  
The answer is...  
Nooooooooo  
See I don't wanna...  
Goooooooo  
Baby I just need you...  
Oooohhhh  
Can I live without you, without you? Yea

Like a song without a hook, no meaning  
Like the world without the chance of dreaming  
That's how I feel (That's how I feel)  
When I'm without you (without you)  
I need you here, in my arms forever  
Sounding sealed into the twelve but never  
You need to know  
Can I live without you?  
Baby, the answer is...

Nooooooooo  
See I don't wanna...  
Goooooooo  
Baby I just need you...

See all that I'm aimin for, baby is you  
Nothing could take you when we have, so I really swear  
If we ever part  
You'll always be in my heart

The answer is...
