

Reach Out for the Light

Avantasia

Lord above - why don't you tell me
why I'm here in agony?
I've been serving, I've been praying,
now I'm caught in misery.

I've been praised by friar Jakob,
I misused his confidence.
Cheated by this work of evil -
Feigning Anna's innocence.

Oh what have I done?
So many ways lead to the fallen one,
Lucifer, fallen light
Oh what have I done?
What is going on?

We should bring salvation,
not give in to his temptation - no!
Read and preach the holy word
and no forbidden lies that hurt.
I remember words of seven.
Set me free - sanity! -

Reach out for the light
far beyond confines.
You have read the magic lines
leading to the light in your mind

What is right and what is wrong now?
Is it a trial of paradise?
Is Anna a witch or do they stick to an error?
What's the book and the seal inside?

Am I a cleric or maybe a sinner?
Unbeliever? Renegade?
Was it the devil who led me to seven?
Oh redeemer is it all too late?

Oh what have I done?
I have been led by the smelling one,
Lucifer, fallen light
Tell me stranger, what have I done?
Oh what is going on? Yeah

-We should bring salvation,
not give in to his temptation - no!
Read and preach the holy word
and no forbidden lies that hurt.
I remember words of "seven".
Set me free - sanity! -

Reach out for the light
far beyond confines.
You have read the magic lines
leading to the light

in your mind? Yeah - oh - yeah

Reach out for the light
far beyond confines.
You have read the magic lines
leading to the light in your mind
