

Black Waltz

Avatar

I entered the house
On the hill one day
Trying my best just to get away
No one was home
But the voices were clear
They let me know
I was welcome here

Life is so wonderful
Life is so beautiful
Stay awhile
No one gets out alive
Life is so wonderful
Life is so beautiful
Just smile
No one gets out alive

I walked down the halls
Of that haunted place
A whisper was leading me
Through the maze
Promising warmth
Knowing my name
Knowing my reasons
And why I came

A face in a painting
Looked down on me
Smiled at me loving and tenderly
Reached out her hand
Stroking my hair
Suddenly voices were everywhere

Life is so wonderful
Life is so beautiful
Stay awhile
No one gets out alive
Life is so wonderful
Life is so beautiful
Just smile
No one gets out alive
