```
Gotta go work, work, work, gotta work
Gotta go work, work, work, gotta work
Gotta go work, work, work, gotta work
Busy, busy, there's so much to do here
Gotta go work, work, work, gotta work
Gotta go work, work, work, gotta work
Gotta go work, work, work, gotta work
I must fly!
So the day begins
All assigned a role
For the greater good
A thousand eyes don't see themselves
Gotta go work, work, work, gotta work
Gotta go work, work, work, gotta work
Gotta go work, work, work, gotta work
Busy, busy, there's so much to do here
Gotta go work, work, work, gotta work
Gotta go work, work, work, gotta work
Gotta go work, work, work, gotta work
I must fly!
So the day begins
All assigned a role
For the greater good
For the sisterhood
So the day begins
All assigned a role
For the greater good
A thousand voices for The Swarm!
For The Swarm!
For The Swarm!
For The Swarm!
```

For The Swarm! For The Swarm!
