

Make It Rain

Avatar

I brought my antennas to the sea
Tried to connect - won't you talk to me?
There were whispers inside of the concrete and we
Heard the broadcast, the testimony

And all I found is a static state of mind
All I found is a static state of mind
We ran out of options and I saw a black light
All I found is a static state of mind

Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain!
Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain, baby!
Bomb! Bomb! Bomb! Bomb! Bomb!
Oh, make it rain!
Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain!

She sat by the road, holding a sign
She ran out of time counting satellites
But there ain't enough space between her house and mine
I heard how she was spending her nights

And all I found is a static state of mind
All I found is a static state of mind
We ran out of options and I saw a black light
All I found is a static state of mind

Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain!
Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain, baby!
Bomb! Bomb! Bomb! Bomb! Bomb!
Oh, make it rain!
Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain!

(Make it rain)

And all I found is a static state of mind
All I found is a static state of mind

Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain!
Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain, baby!
Bomb! Bomb! Bomb! Bomb! Bomb!
Oh, make it rain!
Bomb! Bomb! Bomb! Bomb! Bomb!
Make it rain!
