

Is life an endless loop  
Repeating itself?  
Oh, I hate the thought of you with somebody else  
No, I won't deny that set my heart on fire  
And I wonder why but it feels like we're not enough  
This time

Why, you feel like home, home, home  
And I don't wanna let go  
With you I'm home, home, home  
I keep holdin' on  
Oh, you're my home, home, home  
I won't let go  
I won't let go  
With you, I'm home  
I'm home

Life's an endless loop  
With no second chances  
Oh, there's a part of you  
Not ready to change yet  
But I won't deny that I've got you on my mind  
Still, I don't know why but it feels like we're losing touch

Why, you feel like home, home, home  
And I don't wanna let go  
With you, I'm home, home, home  
I keep holdin' on  
Oh, you're my home, home, home  
I won't let go  
I won't let go  
With you, I'm home  
I'm home

And I keep holdin' on  
Lord, I keep holdin' on  
Oh, I keep holdin' on  
Lord, I keep holdin' on  
Why, you feel like home, home, home  
Oh, you're my home, home, home

Why, you feel like home, home, home  
And I don't wanna let go  
With you, I'm home, home, home  
I keep holdin' on  
Oh, you're my home, home, home  
I won't let go  
I won't let go  
With you, I'm home  
I'm home

And I keep holdin' on
