

# I Don't Pray

AVEC

No, I don't pray  
But tonight I do  
This time I do  
Let's not waste  
Just a moment with you  
I'm holding on to

I remember when I was 18  
When I smoked my first J with you  
And this one time where you saved me  
From this man who tried to take away our love

And I just don't know how to accept  
Or respect the fact that you'll be gone  
So I remember when I was 18  
And you were always there just from the start

No, I don't pray  
But tonight I do  
This time I do  
Let's not waste  
Just a moment with you  
I'm holding on to

And I don't pray  
But tonight I do  
This time I do  
But hey, it's okay  
No, it won't be okay  
Without you

Here we are, you're gone it's too late  
I remember you like it was yesterday  
And how in the world can you justify  
Taking away a father from his child like this?

No, I don't pray  
But tonight I do  
This time I do  
Never wanted to waste  
Just a moment with you  
I'm holding on to

And I don't pray  
But tonight I do  
Yeah, I still do  
But hey, it's okay  
No, it won't be okay  
Without you

Hell, if you could see me now  
I hope that I can make you proud  
All I ever wanted was a little more time  
Just to say goodbye, see you in another life

No, I don't pray  
But tonight I do

This time I do  
Never wanted to waste  
Just a moment with you  
I'm holding on to

And I don't pray  
But tonight I do  
Yeah, I still do  
But hey it's okay'  
No, it won't be okay

No, I don't pray  
But tonight I do  
This time I do  
Never wanted to waste  
Just a moment with you  
I'm holding on to

And I don't pray  
But tonight I do  
Yeah, I still do  
But hey, it's okay  
No, it won't be okay  
Without you
