

Runaway

AVEC

You wanna know what's wrong with me, yeah?
You
It's you
You don't care about me
You don't give a shit about me
You don't just make people then abandon them because they think they've done
something wrong their whole fuckin' life

If feels like they're tied to my bones
Oh, those heavy weights
Oh, those heavy stones, and
It seems like I'm out of control
Lost my brain again
Less pain in the renegade
Oh-oh
Oh-oh

And I don't mind staying up all night, and
Runaway, I
I, I run away
Hold me tight, it'll be alright, babe
I run away, I, I, I
Even in those hours of light
'Till the end of our time
You will be the reason why
If love's so kind
Keep me up all night
And runaway, I, I, I won't, love
Runaway, I

I know you know nothing at all
Tell me what might have been
Tell me why you gave in, and
Oh, I'm done with you, call
Me just a kid
But I remember what you did
Oh-oh
Oh-oh

And I don't mind staying up all night, and
Runaway, I
I, I run away
Hold me tight, it'll be alright, and
I run away, I, I, I
Even in those hours of light
'Till the end of our time
You will be the reason why
If love's so kind
Keep me up all night
And runaway, I, I, I
Runaway

I don't mind staying up all night, yeah
Runaway, I
I, I runaway
Hold me tight, it'll be alright, babe
I run away, I, I, I

Even in those hours of light
'Till the end of our time
You will be the reason why
If love's so kind
Keep me up all night
And run away, I, I, I won't love

Runaway, I
Runaway, I
Runaway, I
Runaway, I
