

Still

AVEC

Got a little lost in the state of mine
Got a little drunk in the same night
Pretending all that it's all okay
But you know me well and you know our fate

I think I love you, still
From the depths of my heart to the bottom of my skin
And it's still
Oh, deep, deep down in his ocean
I will still
Follow this path and it leads me back to him
I think I love you, still

Now tell me how to live
Tell me how to die
'Cause it's a black deep hole and I can't fly
Pretending all that it's all alright
But you know me well and you know I'm lying

I think I love you, still
From the depths of my heart to the bottom of my skin
And it's still
Oh, deep, deep down in his ocean
I will still
Follow this path and it leads me back to him
I think I love you (Oh...)
Still (Oh...)
(Oh...)
(Oh...)

I think I love you, still
From the depths of my heart to the bottom of my skin
And it's still
Oh, deep, deep down in his ocean
I will still
Follow this path and it leads me back to him
I think I love you

Still
From the depths of my heart to the bottom of my skin
And it's still
Oh, deep, deep down in his ocean
I will still
Follow this path and it leads me back to him
I think I love you

(Oh...)
(Oh...)
(Oh...)
(Oh...)
(Oh...)
(Oh...)
I think I love you (Oh...)
Still
