

## Waiting For

AVEC

And with the clouds the darkness comes  
Don't be afraid we both feel numb  
And the fog will bury every of our thoughts my dear  
And they will never know that we were here

So who are you  
Waiting for?  
Who are you  
Waiting for?  
Who are you  
Waiting, waiting for?  
Who are you waiting for?

Well I try it hard to figure it out  
Who is evil and who is not  
Can't you tell me where to find without looking behind?  
Is this all you got?

So who are you  
Waiting for?  
Who are you  
Waiting for?  
Who are you  
Waiting, waiting for?  
Who are you waiting for?

And the souls, are standing in a row  
(Ahh)  
Touched by someone we already know  
(Ahh)  
No, I cover like a blanket  
And the voice of the murder that we  
All have  
(Ahh)  
So who are you waiting for?  
Who are you waiting, waiting for?  
Who are you waiting, waiting for?
