

# Way Out

AVEC

You picked me up  
You held my hand  
Under your dress  
Oh, I know it wasn't easy  
It wasn't easy for you  
You sang me songs  
Protected our love  
You never gave up  
Even though it wasn't easy  
It wasn't easy for you

Why is it still lonely in the dark? (Oh... oh)

I don't know where we went wrong  
Oh, we keep running, we keep on running  
And all I know  
We were gonna  
We keep running  
Thought we couldn't find our way out  
Thought we couldn't find our way out  
Thought we needed to just wait out  
Thought we couldn't find our way out  
(Find our way out)

I was so young  
Biting my tongue  
While you were all drunk  
Oh, hell it wasn't easy  
It wasn't easy for us  
And I tried to be  
As strong as I can  
So I took the blame  
Oh, please just believe me  
When I say it wasn't easy

Why is it still lonely in the dark? (Oh... oh, Oh... oh, Oh... oh, Oh... oh)

I don't know where we went wrong  
Oh, we keep running, we keep on running  
And all I know  
We were gonna  
We keep running  
Thought we couldn't find our way out  
Thought we couldn't find our way out  
Thought we needed to just wait out  
Thought we couldn't find our way out  
(Find our way out)  
(Oh... oh, Oh... oh, Oh... oh, Oh... oh)  
(Oh... oh, Oh... oh, Oh... oh, Oh... oh)

I don't know where we went wrong  
Oh, we keep running, we keep on running  
And, all I know  
We were gonna  
We keep running  
Thought we couldn't find our way out  
Thought we couldn't find our way out

Thought we needed to just wait out  
Thought we couldn't find our way out  
(Find our way out)  
(Oh... oh, Oh... oh, Oh... oh, Oh... oh)

(Ah...)  
(Ah...)  
(Ah...)  
(Ah...)
