Yours

AVEC

I want you to hold me
The taste of your love
Wanna be your one and only
Your light and your dark
Let me be your shadow
Cold smoke in your lungs
So take me higher
Take me higher

I feel better in the darkness
Don't tell me you're heartless
Oh I want you to know me
Wanna be your [?]
And oh, will you show me
How our bodies collide

Let me be your blood
Beneath your skin
So take me higher
Take me higher

And if we leave tonight can we make it all the ride
I'm holdin' you close
Holdin' you close
And tell me it's alright if we leave it all behind
Holdin' you close

I feel better in the darkness
Wanna be yours, wanna be yours
Don't tell me you're heartless
Wanna be yours, I wanna be yours
I feel better in the darkness
Wanna be yours, I wanna be yours
Don't tell me you're heartless
Wanna be yours, I wanna be yours (I, I, I)
I, I, I
Wanna be yours, I wanna be yours
Wanna be yours, I wanna be yours (I, I, I)
I, I, I
Wanna be yours, I wanna be yours
Wanna be yours, I wanna be yours (I, I, I)
Wanna be yours, I wanna be yours (I, I, I)
Wanna be yours, I wanna be yours (I, I, I)
I, I, I
Wanna be yours, I wanna be yours (I, I, I)
Wanna be yours, I wanna be yours (I, I, I)
Wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)

I wanna be yours, I wanna be yours (I, I, I)
I wanna be yours, I wanna be yours (I, I, I)
