Outstanding and outrageous

Every night is a gamble like I'm out in Vegas
I'm in the ends though probably without trainers
Cause I work my socks of and then I down play it yeah
Don't private call me I'm now famous
I'm a public figure nigga even got my main ting [?]
An old G told me don't count on people just count papers I'm ou
tstanding and outrageous yeah
Nomination don't mean validation
When 'They' came out I spoke to Dave and told him have the pati
ence
Ironic how they didn't 'Wanna Know' but now that Drake did ther
e debating whether he paved the way but were from the pavement
yeah

Outstanding and outrageous

I nearly lost love when I found haters
I hear my songs when I'm out raving so much targets I'm now aim
less
I send for anybody that's sending shots I'm without patience ye
ah
Trigger-happy till the figures are happy
The only time your G check me is on a bank statement
I just got rid of your net profit in tax payments yeah that's o
utrageous

P P L for my people that'll backdate

Back in the days we had dreams worth more then money

When the cash came in I had nightmares that only rap could awak
en

Yeah I'm trapped in a matrix so freedoms what I type into the s
at navigation

Cause when your destiny's your destination they can't change it
I'm half greatness half ambition and all action I walk backward
s

Cause I feel like Michael an Off the wall talent

Yeah I'm now dangerous

So outstanding so outrageous

So outstanding so outrageous

So outstanding ironically I found stages but at a stage I was o
ut slaving

From picking cotton to picking cotton

Niggas in the field to niggas shopping

Its no more loses if I got it my niggas got it

And anything otherwise is outrageous

I'm always up at night cause sleep is like a foul fragrance

Your now listening to the sounds of 2017 ignore the polls I'm w
orking like I'm Albanian

I was in a state on my estate had so much on my plate with nothing physically on my plate until I found greatness
But what's a man with out gods favor
