Avelino

If I shoot my shoot my darg I won't miss (never)  
Outside I take risks  
Eliminate risks  
On the pitch I assist  
Ling it ling it  
Flip it flip it  
Spin it

They know that I'm smokey  
I've been on fire with no heat  
I don't even smoke like that I'm with a piff ting piffin' on stogey  
Bros over hoes so I pull up with broski  
He was on the bus with man now the gang got buss down chokeys (buss down, buss down, buss down)  
Shorty said choke me then gave me neck  
Celibate ting just gave me sex  
More money more problems might have to pay me less  
Never made enough and it made me

Vex, vex, vex, vex, vex, vex  
I just wanna fuck up a check  
Vex, vex, vex, vex, vex, vex  
Show me the money I'm deh!

Show me respect  
Money and power triple threat  
I been on tour but I'm still on the endz  
Nationwide but I don't do F  
Fuck what they said  
Fuck what you heard I'm god in the flesh  
I'm in Christian down to the creps  
Public figures on private jets  
Local lad but I'm overseas  
Just spent more than a gold AP  
I dunno what came over me  
But I'm over the hype  
Still roll deep when I roll with the guys  
We was trappin' that Katie Price  
All for a pair of Jordan 5's

They know that I'm smokey  
I've been on fire with no heat  
I don't even smoke like that I'm with a piff ting piffin' on stogey  
Bros over hoes so I pull up with broski

Shorty said choke me then gave me neck  
Celibate ting just gave me sex  
More money more problems might have to pay me less  
Never made enough and it made me

Vex  
Angry, cross and miserable  
I now that I can be difficult  
I went various schools but that's not why I've got principles  
Hold on Av (yo G)  
I just needed an interval

More money more problem but I wouldn't want your problems cah they're all minuscule

Man don't know about anger, til' they've had a family member killed by cancer

Man don't know about vex, til' they've had innocent members doin' a stretch  
Man don't know about rainfall, until there's a drought and you ain't got an 8 ball

Man don't know about indie, cos' them boy there always had the label

I told them years, months, weeks, days, hours in advance (please)

I do not want my flowers in a vase

Had a badboy whip at 15

Couldn't even parallel park, no license

I ain't even had a girl ask

If I shoot my shoot my darg I won't miss (never)

Outside I take risks

Eliminate risks

On the pitch I assist

Ling it ling it

Flip it flip it

Spin it

They know that I'm smokey
