

# A Little Piece of Heaven

Avenged Sevenfold

Before the story begins, is it such a sin  
For me to take what's mine until the end of time?  
We were more than friends before the story ends  
And I will take what's mine, create what God would never design

Our love had been so strong for far too long  
I was weak with fear that something would go wrong  
Before the possibilities came true I took all possibility from you  
Almost laughed myself to tears, conjuring her deepest fears

Must have stabbed her fifty fucking times  
I can't believe it  
Ripped her heart out right before her eyes  
Eyes over easy, eat it, eat it, eat it

She was never this good in bed even when she was sleeping  
Now she's just so perfect, I've never been quite so fucking deep in  
It goes on and on, and on, I can keep you looking young  
And preserved forever with a fountain to spray on your youth whenever

?Cause I really always knew that my little crime  
Would be cold that's why I got a heater for your thighs  
And I know, I know it's not your time but bye, bye  
And a word to the wise when the fire dies  
You think it's over but it's just begun, baby don't cry

You had my heart, at least for the most part  
?Cause everybody's gotta die sometime  
We fell apart, let's make a new start  
?Cause everybody's gotta die sometime, but baby, don't cry

Now possibilities I'd never considered  
Are occurring the likes of which I'd never heard  
Now an angry soul comes back from beyond the grave  
To repossess a body with which I'd misbehaved

Smiling right from ear to ear  
Almost laughed herself to tears

Must have stabbed him fifty fucking times  
I can't believe it  
Ripped his heart out right before his eyes  
Eyes over easy, eat it, eat it, eat it

Now that it's done, I realize the error of my ways  
I must venture back to apologize  
From somewhere far beyond the grave

I gotta make up for what I've done  
?Cause I was all up in a piece of heaven  
While you burned in hell, no peace forever

?Cause I really always knew that my little crime  
Would be cold that's why I got a heater for your thighs  
And I know, I know it's not your time but bye, bye  
And a word to the wise when the fire dies  
You think it's over but it's just begun but baby, don't cry

You had my heart at least for the most part  
?Cause everybody's gotta die sometime  
We fell apart, let's make a new start  
?Cause everybody's gotta die sometime, but baby, don't cry

I will suffer for so long  
(What will you do, not long enough?)  
To make it up to you  
(I pray to God that you do)  
I'll do whatever you want me to do  
(Well then I'll break you unchained)

And if it's not enough  
(If it's not enough, if it's not enough)  
If it's not enough  
(Not enough)  
Try again  
(Try again)  
And again  
(And again)  
Over and over again

We're coming back, coming back  
We'll live forever, live forever  
Let's have a wedding, have a wedding  
Let's start the killing, start the killing

?Cause I really always knew that my little crime  
Would be cold that's why I got a heater for your thighs  
And I know, I know it's not your time but bye, bye  
And a word to the wise when the fire dies  
You think it's over but it's just begun but baby, don't cry

You had my heart at least for the most part  
?Cause everybody's gotta die sometime  
We fell apart, let's make a new start  
?Cause everybody's gotta die sometime, but baby, don't cry
