

## Bat Country

Avenged Sevenfold

He who makes a beast out of himself  
Gets rid of the pain of being a man

Caught here in a fiery blaze, won't lose my will to stay  
I tried to drive all through the night  
The heat stroke ridden weather, the barren empty sights  
No oasis here to see  
The sand is singing deathless words to me

Can't you help me? As I'm startin' to burn  
(All alone)  
Too many doses and I'm starting to get an attraction  
My confidence is leaving me on my own  
(All alone)  
No one can save me and you know I don't want the attention

As I adjust to my new sights  
The rarely tired lights will take me to new heights  
My hand is on the trigger I'm ready to ignite  
Tomorrow might not make it but everything's all right

Mental fiction follow me  
Show me what it's like to be set free

Can't you help me? As I'm startin' to burn  
(All alone)  
Too many doses and I'm starting to get an attraction  
My confidence is leaving me on my own  
(All alone)  
No one can save me and you know I don't want the attention

I'm sorry you're not here  
I've been sane too long my vision's so unclear  
Now take a trip with me  
But don't be surprised when things aren't what they seem

Caught here in a fiery blaze, won't lose my will to stay  
These eyes won't see the same, after I flip today

Sometimes I don't know why we'd rather live than die  
We look up towards the sky for answers to our lives  
We may get some solutions but most just pass us by  
Don't want your absolution 'cause I can't make it right

I'll make a beast out of myself  
Gets rid of all the pain of being a man

Can't you help me? As I'm startin' to burn  
(All alone)  
Too many doses and I'm starting to get an attraction  
My confidence is leaving me on my own  
(All alone)  
No one can save me and you know I don't want the attention

I'm sorry you're not here  
I've been sane too long my vision's so unclear  
Now take a trip with me

But don't be surprised when things aren't what they seem

I've known it from the start

All these good ideas will tear your brain apart

Scared but you, you follow me

I'm too weird to live but much too rare to die
