A lonely road, crossed another cold state line Miles away from those I love, purpose hard to find While I recall all the words you spoke to me Can't help but wish that I was there Back where I'd love to be, oh yeah

Dear God the only thing I ask of you Is to hold her when I'm not around When I'm much too far away We all need that person Who can be true to you But I left her when I found her And now I wish I'd stayed 'Cause I'm lonely and I'm tired I'm missing you again oh no Once again

There's nothing here for me
On this barren road
There's no one here
While the city sleeps
And all the shops are closed
Can't help but think of
The times I've had with you
Pictures and some memories
Will have to help me through
Oh yeah

Dear God the only thing I ask of you Is to hold her when I'm not around When I'm much too far away We all need that person Who can be true to you I left her when I found her And now I wish I'd stayed 'Cause I'm lonely and I'm tired I'm missing you again oh no Once again

Some search, never finding a way Before long, they waste away I found you, something told me to stay I gave in, to selfish ways And how I miss someone to hold When hope begins to fade.
