

# I Won't See You Tonight Part 1

Avenged Sevenfold

Cry alone, I've gone away  
No more nights, no more pain  
I've gone alone, took all my strength  
I've made the change,  
I won't see you tonight

Sorrow, sank deep inside my blood  
All the ones around me  
I cared for and loved

Building up inside of me  
A place so dark, so cold, I had to set me free  
Don't mourn for me,  
You're not the one to place the blame  
As bottles call my name I won't see you tonight

Sorrow sank deep inside my blood  
All the ones around me  
I cared for and most of all I loved  
But I can't see myself that way  
Please don't forget me or cry while I'm away

Cry alone, I've gone away  
No more nights, no more pain  
I've gone alone, took all my strength  
But I've made the change,  
I won't see you tonight

So far away, I'm gone.  
Please don't follow me tonight  
And while I'm gone everything will be alright

No more breath inside  
Essence left my heart tonight  
No more breath inside  
Essence left my heart tonight
