

Seize The Day

Avenged Sevenfold

Dmi **F** **G**
Seize the day or die regretting the time you lost
F **B**
It's empty and cold without you here,
C **Dmi**
Too many people to ache over
G **C**
I see my vision burn,
F
I feel my memories fade with time
C **Dmi**
But I'm too young to worry
G **C**
These streets we travel on
F
Will undergo our same lost past
Dmi **G** **F**
I found you here, now please just stay for a while
C **Dmi**
I can move on with you around
G **F** **C**
I hand you my mortal life, but will it be forever?
Dmi **G** **F**
I'd do anything for a smile,
C **Dmi**
Holding you till our time is done
G
We both know the day will come
F **C**
But I don't want to leave you
G **C**
I see my vision burn,
F
I feel my memories fade with time
C **Dmi**
But I'm too young to worry
B
A melody, a memory, or just one picture
Dmi **F** **G**
Seize the day or die regretting the time you lost
F **B**
It's empty and cold without you here,
C **Dmi**
Too many people to ache over
Dmi **G** **F**
Newborn life replacing all of us,
C **Dmi**
Changing this fable we live in
G **F** **C**
No longer needed here so where do we go?
Dmi **G** **F**
Will you take a journey tonight,
C **Dmi**
Follow me past the walls of death?
G **F** **C**
But girl, what if there is no eternal life?
G **C**
