

Spanish Fly

Aventura

I mean, you see her over in the club over there homie,
We ain't talk like in weeks mans I need you to go there and tra
nslate

Yea I can do that for you babes, lets make it happen

I ain't too tough to tell her I cried
El llora por ti
Ever since ella left my side
Why el se siente tan solo
When I'm with my homies I play Mr. tough guy
He's just playing on that one only part
When I'm all alone all alone all I do is cry my spanish fly

Why llora, llora, llora, llora, llora
Spanish fly chick got me tripping got my heart skipping skippin
g
Why llora, llora, llora, llora, llora
There won't be ain't no dancing tonight feel like I ain't got n
o rhythm tonight
Why llora, llora, llora, llora, llora
Spanish fly chick got me tripping got my heart skipping skippin
g
Why llora, llora, llora, llora, llora
There won't be ain't no dancing tonight feel like I ain't got n
o rhythm tonight

Now tonight I really don't how the rhythm met
I got to give em because I'm waiting for my girl to call
And she really got me tripping and flipping my heart skipping
If she leaves then my world would fall
Mi corazon es grande sin ti es pequeno
Tu amor es caliente and every day without you its so frio (bur)
Que pasa mijo wish you could feel my pain
Me duele la cabeza now I'm loco yes I've gone insane
My thoughts can make it rain
So the world could hear my cries
Quiero que el ?
I need my spanish fly
