

Breakfast In Bed

Avenue Beat

Serve it up like you're all mine
Never felt this kind of good
Feeling better than I should (Woo)
Soft when you say, "Crème brûlée"
The best parts right before it breaks
I just want another day with you

You, you, you
You got this way in (You got this way in)
That look on your face when (That look on your face when)
You tell me you want me, you want me, you want me
But I don't wanna hear it

Don't be so good, don't touch so nice
Don't give me something you know that I'll like, like
Breakfast in bed, get out of my head
'Cause this on some shit that gon' make me hate being alone
This on some shit that gon' make me hate being alone (This on some shit)
Ayy-ayy

If you want the dulce de leche
Baby, you can get it
Baby, if I hit it, you know I can't quit it, you're mine
Baby, you're mine
If you want the dulce de leche
Baby, you can get it
Baby, if I hit it, you know I can't quit it, you're mine
Baby, you're mine

You, you, you
You got this way in (You got this way in)
That look on your face when (That look on your face when)
You tell me you want me, you want me, you want me
But I don't wanna hear it

Don't be so good (Good), don't touch so nice (Nice)
Don't give something you know that I'll like, like
Breakfast in bed, get out of my head
'Cause this on some shit that gon' make me hate being alone
Don't be so good (Don't be so good), don't touch so nice (Don't touch so nice)
Don't give something you know that I'll like, like
Breakfast in bed, get out of my head
'Cause this on some shit that gon' make me hate being alone

La-la, la-la, la-la-la-la, la-la, la-la
This on some shit that gon' make me hate being alone (This on some shit)
La-la, la-la, la-la-la-la, la-la, la-la
La-la, la-la, la-la-la-la, la-la, la-la
La-la, la-la, la-la-la-la, la-la, la-la
