

# Delight

## Avenue Beat

Do you know how much it took for me?  
To tell you that I think you're fine as hell  
And do you wanna grab a bite to eat?  
I got this coupon to taco bell  
You say you can't right now and when I ask you why  
You finally let it out, you say I'm not your type

But I'm a freakin' delight  
I'm a freakin' delight  
I got more bite than a California Zoo  
And if you ask my momma she gonna tell you the truth  
That I'm a freakin' delight  
I'm a freakin' delight  
I got more pop than a shook up mountain dew  
If that's not what you like  
There must be something wrong with you  
Cuz I'm a freakin' delight  
I'm a freakin' delight  
I'm a freakin' delight

I see my family every holiday  
That's when they love to wreck my self-esteem  
Ask me why I never bring a date  
I think the first verse covered everything  
Say I need a real job  
I tell them all, please  
I get to sing my songs and everybody thinks

I'm a freakin' delight  
I'm a freakin' delight  
I got more bite than a California Zoo  
And if you ask my momma she gonna tell you the truth  
That I'm a freakin' delight  
I'm a freakin' delight  
I got more pop than a shook up mountain dew  
If that's not what you like  
There must be something wrong with you  
Cuz I'm a freakin' delight  
I'm a freakin' delight

Got the high score on Pacman at the arcade  
I can still get a sunburn sitting in the shade  
I'm pretty much the best at acting out charades  
If anybody asks me, I'm gonna say

I'm a freakin' delight  
I'm a freakin' delight  
I got more bite than a California Zoo  
And if you ask my momma she gonna tell you the truth  
That I'm a freakin' delight  
I'm a freakin' delight  
I got more pop than a shook up mountain dew  
If that's not what you like  
There must be  
Something wrong with you  
Cuz I'm a freakin' delight  
I'm a freakin' delight

I 'm a freakin' delight
