

## Fire Burning

Average White Band

Keep the fire burning  
'til I get back home to you  
I'll keep the wheels turning...

When I'm away from you, baby  
I'm running on half my speed  
so I've got to know  
at the end of the line  
you will be waiting for me

Keep the fire burning

'til I get back home to you

I'll keep the wheels turning....

When I'm away from you  
the road may be long and tough  
but what I want you to do-  
I guess you know it too-  
is keep the flame hot enough

Keep the fire burning  
'til I get back home to you  
I'll keep the wheels turning....
