

Fool for You Anyway

Average White Band

Oh baby, oh baby
I thought I could make it without you' you know that
But I found out' found out
I need somebody to wake up with me early in the morning
And I found out I need someone to fix my food
Take good care of me
I'm so lonely
See I'm lonely but I'm not lonely for anybody but you
And I gotta have it
I need your loving so bad
Woman I'm not ashamed' not ashamed to say I need your loving so bad
Oh girl, hmm mmmmm
Well I miss you honey
A little more everyday
And I know if I kiss you, oh babe
You'd be coming back home to stay' yes you will
'Cos I know I was wrong, oh
But how long do I have to pay
Oh babe
Do you know you belong here beside me
I'm a fool for you anyway
(I'm a fool for you babe)
I'm a fool for you anyway
(Just a fool)
I'm a fool for you anyway
(I'm a fool for you baby)
Well I cried for you so long
Tears ran down like rain
And I tried to be so strong, so strong
But I felt every bit of the pain
You know your love left a mark on me
I don't think it would fade away
(Fade away) Oh babe
I'll sit here and wait 'til you come home babe
I'm a fool for you anyway
(I'm a fool for you babe)
I'm a fool for you anyway
(Just a fool)
I'm a fool for you anyway
(I'm a fool for you babe)
(Oh babe)
(Oh babe)
You know your love left a mark on me
I don't think it would fade away
(Fade away)
I'll sit here and wait 'til you come home honey
I'm a fool for you anyway
(I'm a fool for babe)
I'm a fool for you anyway
(Just a fool)
I'm a fool for you anyway
(I'm a fool for you' I'm just a fool)
I can't help myself
(I'm a fool for you babe)
Honey I don't know what else
(I'm a fool for you, I'm just a fool)
I'm a fool for you

(I'm a fool for you babe)
Oh baby, I'm a fool for you
(I'm a fool for you, I'm just a fool)
I can come turn you on
(I'm a fool for you babe)
Sugar 'cos your love is strong
(I'm a fool for you, I'm just a fool)
I'm a fool for you
(I'm a fool for you babe)
Oh baby I'm a fool
