

## Repurposed: Reprogrammed

Aversions Crown

To my fucking disbelief, after all this time you still breathe  
You've chosen your own demise, bearing the blueprints for this  
insurrection  
I've ruined who I once strived to be, became your fucking night  
mare  
I've become a nightmare  
They taught me to leave the world behind, this burden personifi  
ed by hatred  
It absorbed me, distorted me, disfigured my desire for explanat  
ion  
It's disfiguring me, rebuilding me, weaponizing me, reprogrammi  
ng me  
Severely warped, scarred, humanity is all but a whisper  
Unrelenting, unstoppable, venomously taking revenge upon everyo  
ne, upon you  
I once searched for compassion; the light in my eyes has left m  
e  
I will crush every hope from the wretched fucking life you've w  
asted  
I will destroy this fucking disgrace you have become
